

This privacy policy has been compiled to better serve those who are concerned with how their ‘Personally information’ (PI) is being used online. PI, as used in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site or sign up for an event.

How do we use your information?

We may use the information we collect from you when you register, make a event purchase, communication or use certain other site features in the following ways:

- To allow us to better service you in responding to your customer service requests.
- To quickly process your transactions.

How do we protect visitor information?

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible.

We do not use Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user signs up for an event, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use ‘cookies’?

We do not use cookies for tracking purposes

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Internet Explorer) settings. Each browser is a little different, so look at your browser’s Help menu to learn the correct way to modify your cookies.

If you disable cookies off, some features will be disabled that make your site experience more efficient and some of our services will not function properly.

Third Party Disclosure

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information.

Third party links

We do not include or offer third party products or services on our website.

New Jersey Privacy Protection Act

The FSSKMENSLUB web site complies with NJ Privacy laws. For more information visit <https://www.nj.gov/nj/privacy.html>

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify the users via email.

We also agree to the individual redress principle, which requires that individuals have a right to pursue legally enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or a government agency to investigate and/or prosecute non-compliance by data processors.

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to: Communicate with you.
