

Men's Club of Four Seasons at South Knolls Proposed Club Donation Policy August 5, 2019

Charitable Organizations

1. To receive Board/Membership consideration, the administration costs of a charitable organization should not be higher than 23% of donations received.
2. Selection of a Charitable Organization by the Board/Membership for donation purposes should start with those located in Jackson Township followed by those located in the State of New Jersey and finally those that may be national in scope. A community benefit e.g. "Goodwill", should be considered when selecting a charitable organization.
3. Each year, Committee Chairs will provide to the Budget & Finance Committee their rationale and estimated donation request for continued inclusion of a charitable organization for the coming year. Final approval of committee requests shall rest with the Board and Club Membership.
4. New charitable organization(s) proposed by either board members or regular club members shall first be vetted and either approved or disapproved by the Board of Directors. If approved by the Board the proposal must be brought to the club membership for discussion and final approval.
