

Men's Club of Four Seasons **at South Knolls** **Jackson, NJ**

Code of Ethics

- **To treat all members with respect on any issue, during a meeting and in the Community.**
- **All members are to conduct themselves in a manner not to bring discredit to themselves or to the Membership of the Club.**
- **To hold friendship as an end and not a means. To hold that true friendship exists not because of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.**
- **Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.**
- **To be careful with my criticism and liberal with my praise; to build up and not to destroy.**
- **To encourage service-minded people to serve their community without personal financial reward and promote high ethical standards in all that we do.**
