Dear Mr. Scatuccio:

Thank you for your generous donation to the NJ LIONS Katzenbach in support of the 2024 Graduation on June 20 @ 10 am in the Old Main Building Krasnisky Auditorium. Your donation will help the students transition after graduation. Graduates move on to find jobs, attend institutes of higher learning, or enroll in vocational training programs, Katzenbach School has excellent programs to prepare their students to meet the challenges of life outside the controlled environment of the school.

We have three students graduating this year.
Jahiem Baker - Camden, NJ;
Reina Cojon- Ramierez - Plainfield, NJ; and,
Suhaylah Lane- Browns Mill, NJ

If you are able, please join us. Contact Lion Takeo Ishimasa with your intentions to attend the graduation and reception at 848-466-7953 (cell/text) or takeo.ishimasa@verizon.net.

Again, thank you for your continued support.
