Dear FSSK Men's Club,

On behalf of the Amyloidosis Foundation, I would like to thank you for your gift of \$50.00 dated January 11, 2023. A donation of this kind is a meaningful way to honor the memory of Joel Matusow and in turn, help others who have been touched by this rare disease. **You are making a difference in the lives of those who are affected by amyloidosis.**

The following is a listing of some of our programs we are able to provide thanks to your generosity.

- Cardiac Amyloidosis Fellowship
- Medical and Scientific Research Grants
- Webinars with experts for patients and families
- Accurate informational publications for patients and doctors
- Grand Rounds, an educational program for physicians
- Support groups for patients and caregivers
- Exhibit at Medical Conferences
- Website (amyloidosis.org) with information on the disease, treatment centers, and more!

From all of us at the Amyloidosis Foundation, thank you. Thank you for allowing us to work toward our vision, a world in which amyloidosis is cured.

Sincerely,

Mary E. O'Donnell
President
